4. **TRADING.** Customer authorizes Unity Investments to purchase and sell physically settled and cash settled Foreign Exchange Contracts and Cross Currency Contracts and Metal Contract on a spot basis for Customer's Account in accordance with Customer's instructions received through the Unity Investments Online Trading System, MetaTrader® Online Trading System, or via telephone to the Unity Investments Trading Desk, subject to the terms of this Agreement, including the Annexes hereto and the Customer Account Application, including any applicable addenda thereto. Customer agrees to be conclusively responsible for any instruction received electronically that is identified with Customer's password and Account number and for any electronic, oral and written instruction (including, but not limited to, any Order) to Unity Investments from persons Unity Investments, in its sole judgment, believes are authorized by Customer. If Customer's Account is titled as a joint account, Unity Investments is authorized to act on the instructions of any one owner, without further inquiry, with regard to trading in the Account and the disposition of any and all assets in the Account. Unity Investments shall have no responsibility for further inquiry into such apparent authority and no liability for the consequences of any actions taken or failed to be taken by Unity Investments in reliance on any such instructions or on the apparent authority of any such persons.
- 4.1. **Pricing Information.** Unity Investments will make available, by posting on the Unity Investments Online Trading System, MetaTrader® Online Trading System, or by telephoning the Unity Investments Trading Desk, Bid Prices and Ask Prices at which Unity Investments is prepared to enter Foreign Currency Contracts, Cross Currency Contracts, or Metal Contracts with Customer. Each Bid Price or Ask Price shall be for a Spot Contract with a specified Value Date and shall specify each Eligible Foreign Currency or Tradable U.S. Dollar-based Currency Pairs involved where applicable. Unity Investments expects that these prices will be reasonably related to the bid prices and ask prices available in the market at that time for similar transactions, but a number of factors, such as communication system delays, high volume or volatility can result in deviations between prices quoted by Unity Investments and other sources. Unity Investments makes no warranty, express or implied, that Bid Prices and Ask Prices represent prevailing bid prices and ask prices. In addition, these Bid and/or Ask Prices may reflect, at the direction of the Introducing Broker, additional pips added to the BID and/or ASK price that may result in an increase of the dealable spread available for the Customer's Account as well as a per trade or per lot commission and/or fees. See **Section 11-Charges**.
- 4.2. **Order Execution.** Unity Investments will attempt to execute all Orders that it may, in its sole discretion, accept from Customer in accordance with Customer's instructions received through the Unity Investments Online Trading System, MetaTrader® Online Trading System, or via telephone to the Unity Investments Trading Desk. All Contracts made and entered into by Unity Investments hereunder will be entered into by Unity Investments as principal. Customer acknowledges, understands and agrees that Unity Investments is not acting as a broker, intermediary, agent, and advisor or in any fiduciary capacity. Customer acknowledges, understands and agrees that all Orders that Unity Investments, in its discretion, accepts are undertaken on a "best-efforts basis" in accordance with the relevant provisions of the Trading Policies and Procedures, as amended from time to time. Please visit FOREX.com's website for more information on order types.

In rare circumstances due to market conditions, lack of liquidity typically associated with large Order sizes and/or higher than normal market volatility and associated volume, your Order may be subject to manual review. Such manual review may result in a delay in execution with a potential for price slippage.
- 4.3. **Trade Matching.** Unity Investments or its affiliates may, at a future date, establish a trade matching system or determine to route Customer's Orders to a trade matching system operated by third parties. In that event, Unity Investments, and/or any one or more of its affiliates, shall have the right (but not the obligation), in the sole discretion of Unity Investments or any such affiliate, to act either for its own account as a counterparty or as a broker to Unity Investments customers, in the making of markets and the purchase and sale of Foreign Exchange Contracts, Cross Currency Contracts and Metal Contracts via any medium, including without limitation, over any trade matching network in use by Unity Investments customers and/or the general public.
- 4.4. **Transmission.** Unity Investments shall have no responsibility for delays in the transmission of Orders due to disruption, failure or malfunction of communications facilities and shall not be liable for any claims, losses, damages, costs or expenses, including attorneys' fees, to any person or entity arising other than as a direct result of Unity Investment's gross negligence.
- 4.5. **Improper Trading Activity.** Customer agrees not to engage in improper trading activity, including but not limited to, (i) latency arbitrage, (ii) market manipulation or trading activity that is illegal or a violation of any law or regulation; or (iii) trading activity that exploits the existence of a system failure or error of any kind, including but not limited to pricing delays or errors, affecting FOREX.com's Online Trading System.
5. **MARGIN REQUIREMENTS.** Customer shall provide to and maintain with Unity Investments Margin in such amounts, in cash or other such forms, and within such limits as Unity Investments, in its sole discretion, may from time to time require. Unity Investments may change Margin requirements at any time, without prior notice to Customer. Unity Investments may at any time liquidate Customer's Account in accordance with Section 9. Unity Investments may withdraw funds from Customer's Account without notice: (i) to ensure that posted margin equals or exceeds required margin; and (ii) to satisfy any payment obligation to Unity Investments, including commissions, fees and charges in respect of Customer's Account. In the event that Customer directs Unity Investments to sell any Margin, Collateral, Contract or other property and Unity Investments is unable to deliver such Margin, Collateral, Contract or other property to a purchaser because Customer fails to deliver it to Unity Investments may borrow or purchase any Margin, Collateral, Contract or property necessary to make such delivery, and Customer hereby agrees to guarantee and hold Unity Investments harmless against any liability, claim, loss, damage, cost or expense, including attorneys' fees that Unity Investments may sustain. See the Margin Requirements page on FOREX.com's website.
6. **SECURITY AGREEMENT.** In order to secure any indebtedness or other obligations at any time owing from Customer to Unity Investments, including, without limitation, (i) indebtedness or other obligations under any Account, Contract or other transaction with Unity Investments; or (ii) any indebtedness or other

obligations resulting from any guarantee by Customer of any Account, Contract or other transaction with Unity Investments, Customer hereby assigns, pledges and grants to Unity Investments a security interest in and right of setoff against: (i) all of Customer's Accounts with Unity Investments; (ii) all Contracts, cash, securities and other property in Customer's Account at Unity Investments or delivered or otherwise provided by Customer to secure its indebtedness or other obligations to Unity Investments or in Unity Investment's possession or control for any purpose (including safekeeping); and (iii) all products and proceeds of the foregoing (collectively, (i), (ii) and (iii) are referred to as "Collateral"). At any time, in Unity Investment's sole discretion and without prior demand or notice, Unity Investments may apply any or all cash (or sell or buy in any such Contracts, securities or other property and apply the proceeds therefrom) to any such indebtedness or other obligations, notwithstanding that such indebtedness or other obligations arise in an Account other than the Account in which the cash, Contracts, securities or other property were held or generated. Notwithstanding Section 9-207 of the New York Uniform Commercial Code, Unity Investments shall have the right to sell, pledge, rehypothecate, assign, invest, commingle and otherwise use any Collateral it holds (including, but not limited to, using the Contracts as collateral for a loan to Unity Investments) free from any claim or right of any nature whatsoever of the Customer, including any equity or right of redemption by the Customer and to register any Collateral in the name of Unity Investments, its custodian or a nominee for either. Any failure by Unity Investments to enforce its rights hereunder shall not be deemed a future waiver of such rights by Unity Investments is irrevocably appointed as attorney-in-fact for Customer and is authorized, without notice to Customer, to execute and deliver any documents, give any notice and to take any actions on behalf of Customer, including the execution, delivery and filing of financing statements, that Unity Investments deems necessary or desirable to evidence or to protect Unity Investment's interest with respect to any Collateral. In the event that the Collateral deemed acceptable to Unity Investments ("Eligible Collateral") is at any time insufficient to satisfy Customer's indebtedness or other obligations to Unity Investments, including obligations to provide Margin in accordance with Section 5 hereof, Customer shall promptly pay upon demand the entire amount of such deficit.

7. **NOVATION OF OPPOSING CONTRACTS.** Whenever there may exist in any Customer Account two or more open and opposite Contracts providing in whole or in part for the purchase and sale of the same Foreign Currency, Cross Currency Pairs or Metal Contracts on the same Value Date, such Contracts shall automatically be canceled and replaced by an obligation to settle only the net difference between amounts payable in respect of the relevant currencies under the relevant Contracts, and/or the net difference between the quantities of the relevant currency deliverable there under.
8. **SETTLEMENT DATE; ROLLOVERS; DELIVERY.** In cases where transactions are executed for physical delivery, instructions on the settlement of open positions must be given to Unity Investments at least two (2) Business Days prior to the value date. In the absence of instructions from Customer directing Unity Investments to deliver, offset, or roll over open positions, Unity Investments is authorized, in Unity Investment's sole discretion, to deliver, roll over or offset all or any portion of the open positions in Customer's Account at Customer's risk. Delivery of Foreign Currency shall be made to the bank specified by the purchaser in a major city in the country in which the Foreign Currency is the legal tender. Unless otherwise agreed by Unity Investments and Customer in writing, the Foreign Currency shall be deliverable by wire transfer. Unity Investments may require payment of amounts due from Customer to Unity Investments prior to 16:30 ET on any day prior to payment of amounts due and payable by Unity Investments to Customer on that day. Unity Investments and Customer shall exchange, make use of, and periodically update and confirm any standing payment instructions. Spot Metal deliveries will take place at a location and custodian as approved by Unity Investments. Sufficient funds to take delivery or the necessary delivery documents must be in the possession of Unity Investments. If instructions, funds and documents are not received by Unity Investments by the specified time, Unity Investments may, in its sole discretion and without notice to Customer, offset Customer's open positions, roll over Customer's open positions into the next settlement time period, or make or receive delivery on behalf of Customer upon any terms and by any methods deemed reasonable by Unity Investments, in its sole discretion. Terms and/or methods for delivering, offsetting, or rolling over Customers' open positions may differ on a Customer-by-Customer basis relative to the current balance in the Customer's Account.
9. **LIQUIDATION OF ACCOUNTS AND DEFICIT BALANCES.** In the event of: (a) an Event of Default; (b) insufficient Margin, or Unity Investment's determination that any Collateral deposited to protect Customer's Account is inadequate, regardless of current market quotations, to secure Customer's Account; or (c) any other circumstances or developments that Unity Investments, in its sole discretion, deems appropriate for its protection, Unity Investments may, in its sole discretion, take one or more, or any portion, of the following actions: (1) satisfy any obligation Customer may have to Unity Investments (either directly or by way of guarantee or suretyship) out of any of Customer's funds or property in the custody or control of Unity Investments; (2) sell or purchase any or all Contracts and any securities or other property held or carried for Customer; and (3) cancel any or all outstanding Orders or Contracts or other transactions or commitments made by or on behalf of Customer. Any of the above actions may be taken without demand for Margin or additional Margin, without prior notice of sale or purchase or other notice to Customer, Customer's legal representatives, heirs, executor, administrator, trustee, legatee, successors or assigns and regardless of whether the ownership interest is held individually or jointly with others. Any prior demand or notice of sale or purchase shall not be considered a waiver of Unity Investment's right to sell or buy at any time in the future without demand or notice as provided above. In liquidation of Customer's Long Positions and Short Positions, Unity Investments may, in its sole discretion, offset in the same settlement or it may initiate new Long Positions or Short Positions in order to establish a spread or straddle that in Unity Investment's sole judgment may be advisable to protect or reduce existing positions in Customer's Account. Any sales or purchases may be made according to Unity Investment's judgment and in its sole discretion in any interbank, Over-the-Counter or other exchange market where such business is then usually transacted or at a public auction or private sale, and Unity Investments may purchase the whole or any part thereof free from any right of redemption. In the event the proceeds realized pursuant to liquidation are insufficient for the payment of all liabilities of Customer due to Unity Investments, Customer shall promptly pay upon demand the entire amount of any such deficit, together with all other deficits and all unpaid liabilities of Customer, including, but not limited to, all costs of enforcement and collection, such as, but not limited to, attorneys' fees, witness fees and travel expenses, interest on any such deficit and liabilities at a rate equal to three (3) percentage points above the then prevailing prime rate at Unity Investment's principal bank or the maximum interest rate allowed by law, whichever is lower. In the event Unity Investments incurs expenses other than for the collection of deficits, with respect to Customer's Account, Customer agrees to pay such expenses.

Customer Risk Acknowledgment

In consideration of Unity Investments agreeing to enter into Over-the-Counter ("OTC") Foreign Exchange Contracts with the undersigned (hereinafter referred to as the "Customer"), Customer acknowledges, understands and agrees that:

1. **Trading Is Very Speculative and Risky.** Foreign Exchange Trading and Spot Metal Trading is highly speculative and is suitable only for those customers who (a) understand and are willing to assume the economic, legal and other risks involved, and (b) are financially able to assume losses significantly in excess of Margin or deposits. Foreign Exchange and Spot Metal Trading may not be an appropriate investment for retirement funds. Customer represents, warrants and agrees that Customer understands these risks; that Customer is willing and able, financially and otherwise, to assume the risks of Foreign Exchange Trading and Spot Metal Trading; and that loss of Customer's entire Account Balance will not change Customer's life style.
2. **High Leverage And Low Margin Can Lead To Quick Losses.** The high leverage and low Margin associated with Foreign Exchange Trading and Spot Metal Trading can result in significant losses due to price changes in Foreign Exchange Contracts, Cross Currency Contracts and Metal Contracts. Customers must maintain the Minimum Margin Requirement on their Open Positions at all times. It is the customer's responsibility to monitor his/her Account Balance. FOREX.com has the right to liquidate any or all Open Positions whenever the Minimum Margin Requirement is not maintained. Increasing leverage increases risk.
3. **Prices, Margin And Valuations Are Set By FOREX.com And May Be Different From Prices Reported Elsewhere.** FOREX.com will provide prices to be used in trading, valuation of Customer positions and determination of Margin requirements. Although FOREX.com expects that these prices will be reasonably related to prices available to banks and other participants in what is known as the interbank market, prices reported by FOREX.com may vary from prices available in the interbank market. FOREX.com will exercise considerable discretion in setting and collecting Margin. FOREX.com is authorized to convert funds in Customer's Account for Margin into and from such Foreign Currency and Metal at a rate of exchange determined by FOREX.com in its sole discretion on the basis of then-prevailing money market rates.
4. **One Click Trading And Immediate Execution.** FOREX.com's automated order entry system provides immediate transmission of Customer's Order once Customer enters the notional amount and clicks "Buy/Sell." There is no "second look" before transmission, and Market Orders cannot be cancelled. This feature may be different from other trading systems. Although not required, we recommend a Customer utilize the Demo Trading System to become familiar with the order entry process before trading online with FOREX.com. Customer agrees that by using FOREX.com's order-entry system, Customer agrees to the one-click system and accepts the risk of this immediate transmission feature.
5. **Telephone Orders And Immediate Execution.** Market Orders executed through the Unity Investments Trading Desk are completed when FOREX.com says "deal" or "done." At that point Customer has bought or sold and cannot cancel the Market Order. By placing Market Orders through the Unity Investments Trading Desk, Customer agrees to such immediate execution and accepts the risk of this immediate execution feature.
6. **Market Analysis Content and Tools are Informational, Customer Makes Independent Decisions, and Unity Investments is not an Adviser or a Fiduciary to Customer.** Any and all market analysis tools or content provided by Unity Investments do not constitute an offer to buy or sell, or the solicitation of an offer to buy or sell, any Foreign Exchange contracts, cross currency contracts or metal contracts. Each decision by Customer to enter into a Contract or other transaction with Unity Investments and each decision whether a Contract or other transaction is appropriate or proper for Customer is an independent decision by Customer. Unity Investments is not acting as an advisor or serving as a fiduciary to Customer. Customer agrees that Unity Investments has no fiduciary duty to Customer and no liability in connection with and is not responsible for any liabilities, claims, damages, costs and expenses, including attorneys' fees, incurred in connection with Customer following FOREX.com's market analysis or taking or not taking any action based upon any information provided by Unity Investments.
7. **Market Analysis Content is Based on Personal Judgments and is not Guaranteed.** The market analysis content of Unity Investments is based solely on the judgment of Unity Investment's personnel. This content may or may not be consistent with the market positions or intentions of Unity Investments, its affiliates and employees. The market analysis content of Unity Investments is based upon information believed to be reliable, but Unity Investments cannot and does not guarantee the accuracy or completeness thereof or represent that following such analysis will reduce or eliminate the risk inherent in Foreign Exchange and Spot Metal trading.
8. **There is no Central Market or Clearinghouse Guarantee of Payment.** Each Contract is a contract directly between Unity Investments and the Customer. There is no clearinghouse and no guarantee by any other party of Unity Investment's payment obligations to Customer. Customer must look only to Unity Investments for performance on all Contracts in Customer's Account and for return of any Margin or Collateral.
9. **No Guarantees Of Profit.** There are no guarantees of profit or freedom from loss in Foreign Exchange Trading and Spot Metal Trading. Customer has received no such guarantees from Unity Investments or from any of its representatives. Customer is aware of the risks inherent in Foreign Exchange Trading and is financially able to bear such risks and withstand any losses incurred.
10. **Customer May Not Be Able To Close open positions.** Due to market conditions or other circumstances Unity Investments may be unable to close out Customer's position at the level specified by Customer, and Customer agrees Unity Investments will bear no liability for failure to do so.
11. **Trading Ahead And Along.** Unity Investments its personnel and affiliates and various other parties may execute orders at the same or better prices ahead of a Customer Order.
12. **Third Party Agents.** In the event that Customer grants trading authority or control over Customer's Account to a third party (the "Trading Agent"), whether on a discretionary or non-discretionary basis, Unity Investments shall in no way be responsible for reviewing Customer's choice of such Trading Agent or for making any recommendations with respect thereto. Unity Investments makes no representations or warranties concerning any Trading Agent; Unity Investments shall not be responsible for any loss to Customer occasioned by the actions of the Trading Agent; and Unity Investments does not, by implication or otherwise, endorse or approve of the operating methods of the Trading Agent. If Customer gives the Trading Agent authority to exercise any of its rights over its Account, Customer does so at Customer's risk. Even though the undersigned grants authority to Trading Agent, client should be diligent and closely scrutinize all Account activity.
13. **Internet Trading.** Trading via the internet carries with it risks of computer system or network failure. Customer understands that Unity Investments shall not be liable for any claims, losses, damages, costs or expenses, including attorneys' fees, caused, directly or indirectly, by any breakdown or failure of any transmission or communication system or computer facility or trading software, whether belonging to Unity Investments, Customer, any market, 3rd party vendor, or any settlement or clearing system when Customer trades online (via Internet).

14. **Telephone Orders.** Unity Investments is not responsible for disruption, failure or malfunction of telephone lines.
15. **Quoting Errors.** Should a quoting error occur for any reason, Unity Investments is not liable for any resulting errors in Account balances and/or open position(s) and reserves the right to make necessary corrections or adjustments on the Account involved to the full extent permitted by applicable laws or regulations.
16. **Creditor Priority in Bankruptcy.** The transactions you are entering into with Unity Investments are not traded on an exchange. Therefore, under the U.S. Bankruptcy Code, your funds may not receive the same protections as funds used to margin or guarantee exchange-traded futures and options contracts, which receive a priority in bankruptcy. Since that same priority has not been given to funds used for off-exchange forex trading and spot metal trading, if Unity Investments becomes insolvent and you have a claim for amounts deposited or profits earned on transactions with Unity Investments, your claim may not receive a priority. Without a priority, you are a general creditor and your claim will be paid, along with the claims of other general creditors, from any monies still available after priority claims are paid. Even customer funds that Company keeps separate from its own operating funds may not be safe from the claims of other general and priority creditors.

Trading Policies And Procedures

1. **INTRODUCTION.** Unity Investment's Trading Policies and Procedures are an integral part of your Customer Agreement. It is your responsibility as Customer to carefully read these Trading Policies and Procedures and to inform Unity Investments of any questions or objections that you may have regarding them before entering each and every trading Order. In entering your trading Orders with Unity Investments, you agree, represent, warrant and certify that you understand and accept these Trading Policies and Procedures, as they are set forth here and as may be amended from time to time by Unity Investments, in its sole discretion, as posted to Unity Investment's website, and you agree to comply with these Trading Policies and Procedures as in effect at any time. Terms capitalized in these Trading Policies and Procedures shall have the meanings set out in Section 1 of the Customer Agreement.
 2. **TRADING HOURS.** All references to Unity Investments hours of trading are in U.S. Eastern Time ("ET") using a 24-hour format. FOREX.com normally provides access for foreign exchange trading and spot metal trading on the website from 17:00 ET on Sunday to 17:00 ET on Friday, but FOREX.com reserves the right to suspend or modify its trading hours at any time and in such an event will inform clients in advance on a best efforts basis of any changes in its operating hours. Trading hours by contract type may vary. OTC Foreign Currency and spot metal markets typically operate 24 hours a day. Following submission of an Order to trade, it is the sole responsibility of Customer to remain available for Order and Fill confirmations, and other communications regarding Customer's Account until all open Orders are completed. Thereafter, Customer must monitor Customer's Account frequently when Customer has open positions in the Account.
 3. **TRADE ORDERS**
 - 3.1. **Order Types and Order Entry.** For information regarding the types of Orders accepted by FOREX.com, please refer to FOREX.com's website. All Orders must be placed through the FOREX.com online trading platforms or by telephone to the FOREX.com trading desk. Telephone Orders are accepted in the sole discretion of FOREX.com.
 - 3.2. **Execution of Market Orders.**
 - 3.2.1. **Immediate Execution of Market Orders Through the FOREX.com Trading Desk.** Market Orders executed over the telephone with the FOREX.com Trading Desk are completed when the FOREX.com representative verbally confirms that the Order has been placed. At that point Customer has bought or sold and cannot cancel the Market Order. Customer agrees by placing Market Orders through the FOREX.com Trading Desk to such immediate execution and accepts the risk of this immediate execution feature.
 - 3.2.2. **Order Cancellation.** Non-market Orders may be cancelled via the FOREX.com Online Trading System. Rapid changes in Bid Prices and Ask Prices, however, may cause Customer's Order to be executed before Customer can cancel it and FOREX.com shall have no liability for any claims, losses, damages, costs or expenses, including attorneys' fees, arising directly or indirectly out of the failure of such Order to be cancelled. Customer may contact FOREX.com by telephone if facing difficulty with Order cancellation.
 - 3.3. **Terms of Acceptance for Orders.** It is Customer's sole responsibility to clearly indicate the terms of an Order when entered, regardless of Order type, including but not limited to the Order's Value Date and specified Spot PricePrice limits, where applicable. Although a Spot PricePrice is specified upon entry of certain types of Orders, including stop/loss Orders, limit Orders, and other non-market Orders, market conditions may often prevent the execution of an individual Customer's Orders despite other dealing activity at that price level, or may often require Orders to be filled at a substantially different Spot PricePrice, and Customer agrees to accept the best price at which FOREX.com, in its discretion, may execute the Order. Customer acknowledges that FOREX.com shall accept all Orders only on a best-efforts basis. FOREX.com shall have no liability for failure to execute Orders, and makes no guarantee of an Order's priority over the Orders of FOREX.com, its other customers, associated principals, officers, directors, affiliates, associates, employees, banks, bank employees or other dealers. To the extent permitted by applicable laws or regulations, FOREX.com shall have the right, but not the obligation, to reject any Order in whole or in part before or after confirmation, or to cancel and rescind any Fill, where Customer's Account contains Margin that is insufficient to support the entire Order at the time that market levels reach the Order levels as specified by the client, or where, in the opinion and sole discretion of FOREX.com, the execution of such Order may place Customer's Account in an insufficient Margin condition, or where such Order or Fill is illegal or represents a breach of any warranty, representation, or obligation of the Customer.
 - 3.4. **Confirmation of Fills.** Trades executed online will be confirmed online within the trading platform. Telephone Orders are verbally confirmed and confirmed online within the trading platform. Reports of the confirmation of Orders and statements of Accounts for Customer shall be deemed correct and shall be conclusive and binding upon Customer immediately with respect to Orders confirmed via the FOREX.com trading platform. Customer may object to confirmations and statements by telephone within two (2) Business Days of Order confirmation. Failure to object shall be deemed ratification by Customer of all actions taken by FOREX.com or FOREX.com's agents prior to Customer's receipt of such reports. Customer's failure to receive a trade confirmation shall not relieve Customer of the obligation to object as set out herein. Customer agrees to immediately call to FOREX.com's attention any oral information that Customer has reason to believe is inconsistent with Customer's own information. Customer understands, acknowledges and agrees that errors, whether resulting in a profit or loss to Customer, shall be corrected to the full extent permitted by applicable laws or regulations, and if so permitted, Customer's Account will be credited or debited in such manner and extent as to place Customer's Account in the same position in which it would have been had the error not occurred.

No previous Margin requirement shall preclude FOREX.com from increasing that requirement without prior notice. FOREX.com may, in its sole discretion, elect to impose on a disclosed or undisclosed basis limitations on the maximum number of Open Positions allowed at any time.
6. **LIQUIDATION LEVEL.** Subject to all additional rights of FOREX.com under the Customer Agreement, in the event that, in the sole opinion of FOREX.com and in accordance with FOREX.com's reasonable best estimate of then prevailing obtainable market Spot Prices, and regardless of whether or not prior Margin Calls have been issued or met, if the Account Balance should at any time equal or fall below the Minimum Margin Requirement for Customer's Account in the aggregate, FOREX.com will have the right but not the obligation to liquidate any part of or all open positions in Customer's Account. Customer is responsible for placing its own Stop Loss Orders to minimize losses if deemed appropriate. Any failure by FOREX.com to enforce its rights hereunder shall not be deemed a future waiver of such rights by FOREX.com. FOREX.com does not make margin calls in the ordinary course of business. FOREX.com maintains the right to liquidate Customer positions as described above. However, FOREX.com may from time to time and in its sole discretion, call Customer and request that Customer deposit additional Collateral to secure Customer's obligations to FOREX.com, over and above the balance in Customer's Account. Any call for additional margin without exercising the rights to liquidate Customer positions shall not be deemed precedent for future calls nor future waiver of such liquidation rights by FOREX.com.
7. **MARGIN CALLS.** FOREX.com does not make margin calls in the ordinary course of business. FOREX.com maintains the right to liquidate Customer positions as described above. However, FOREX.com may from time to time and in its sole discretion, call Customer and request that Customer deposit additional Collateral to secure Customer's obligations to FOREX.com, over and above the balance in Customer's Account. Any call for additional margin without exercising the rights to liquidate Customer positions shall not be deemed precedent for future calls nor future waiver of such liquidation rights by FOREX.com. FOREX.com may from time to time and in its sole discretion send courtesy margin alert e-mails when Customer Account falls below a certain predetermined excess margin level. This margin alert e-mail is for informational purposes only and should not be relied upon for risk management. Customer is still responsible for ensuring the Account has adequate margin to support any open positions, including times when margin alert e-mails are not sent.
8. **WITHDRAWALS.** Payments from a Customer Account require a withdrawal request form signed by all required Account holders and submitted in writing to FOREX.com, or a withdrawal request submitted electronically pursuant to procedures established by FOREX.com from time to time and set forth on FOREX.com's website.

Trading Tools

1. FOREX.com may from time to time offer market news, commentary, charting, and analysis, trading performance analytics, signals-based products or services and other trading support tools ("Trading Tools"). Before using any Trading Tools please read this note carefully. It complements the Customer Agreement and associated risk disclosures furnished by us and should be read in conjunction with them. Unless stated otherwise, any capitalized terms used below shall carry the same meanings as in the Customer Agreement.
2. **The Trading Tools are general in nature and do not and will not take into account your personal objectives, financial situation, or needs. Before acting on a Trading Tool, you should consider its appropriateness, having regard to your personal objectives, financial situation, and needs.**
3. **FOREX.com** will not give advice to you on the merits of any trade and shall deal with you on an execution-only basis. **None of our staff are authorized by us or permitted under applicable laws to give you personal advice. Accordingly, you should not regard any proposed trades, trading signals, suggested trading strategies, or other written or oral communications from us as investment recommendations or personal advice or as expressing our view as to whether a particular trade is suitable for you or meets your financial objectives. You must rely on your own judgement for any investment decision you make in relation to your Account. You have the final decision in relation to every trade you enter into. You should make every effort to ensure you understand the Trading Tools and FOREX.com is entitled to assume that you do. If you require investment or tax advice, please contact an independent investment or tax advisor.**
4. Hypothetical performance results have many inherent limitations, some of which are described below. No warranty or representation is made that any Account will or is likely to achieve profits or losses similar to those shown in connection with any Trading Tool. In fact, there are frequently sharp differences between hypothetical performance results and the actual results subsequently achieved. Actual returns may be different to any hypothetical or indicative returns shown in any Trading Tool.
5. One of the limitations of hypothetical performance results is they are generally prepared with the benefit of hindsight. In addition, hypothetical trading does not involve financial risk and no hypothetical trading record can completely account for the impact of financial risk in actual trading. For example, the ability to withstand losses or to adhere to a particular trading platform in spite of trading losses are material points which can also adversely affect actual trading results. There are numerous other factors related to the markets in general or to the implementation of any specific trading program which cannot be fully accounted for in the preparation of hypothetical performance results and all of which can adversely affect actual trading results.
6. FOREX.com does not undertake to continue to offer the Trading Tools at all times and may not offer the same in the future. FOREX.com may withdraw or cancel any or all of the Trading Tools, or terminate your access to any or all of them, for any reason or for no reason at any time with or without notice, in our sole discretion.
7. Trading Tools can only be used for your own personal benefit. They cannot be used for business purposes or on behalf of another person nor can they be varied, passed on or resold to or shared with (in whole or in part) another person or entity or used to place any trades outside of our platform.
8. You will not copy, modify, de-compile, reverse engineer, or make derivative works of or from the Trading Tools or the manner in which they operate.
9. All intellectual property and other rights in the Trading Tools remain our sole property or the property of our licensors. FOREX.com does not assign, license, or otherwise transfer to you any right or interest in the Trading Tools whatsoever, except for the right to access and use the Trading Tools as expressly permitted by us in writing. In particular, but without limitation, all goodwill derived from the use or development of the Trading Tools will accrue exclusively to us. You will not do, or omit to do, or permit to be done, any act that will or may materially weaken, damage or be detrimental to the Trading Tools or the reputation of the goodwill associated with us or the Trading Tools.
10. FOREX.com does not commit to, and is not obliged to provide you with, any number of Trading Tools and the delivery of Trading Tools is not guaranteed. FOREX.com may provide the Trading Tools at such times, at such intervals and based on such factors as we may determine in our absolute discretion. You should not therefore use or rely on the Trading Tools as a method of monitoring prices, positions/markets or making trading decisions, and no liability will be accepted by us in this respect.
11. The Trading Tools are provided "AS IS", without any representation or warranty of any kind whatsoever, including that they will be without interruption or error free.
12. FOREX.com may suspend use of the Trading Tools at any time to carry out maintenance, repairs, upgrades or any development related issues, in order to comply with Applicable Laws or for any other reason determined by us in our sole discretion.
13. To the extent permitted by Applicable Laws, you agree not to hold FOREX.com, our directors, officers, employees, or agents liable for losses or damages, including legal fees, that may arise, directly or indirectly, in whole or in part, from: (a) non-delivery, delayed delivery, or the misdirected delivery of any Trading Tool, (b) inaccurate or incomplete content of any Trading Tool, or (c) your reliance on or use of the information in any Trading Tool for any purpose.

Any failure by you to comply with any of the above obligations or restrictions shall constitute an event of default under our Customer Agreement.

CFTC RISK DISCLOSURE STATEMENT

OFF-EXCHANGE FOREIGN CURRENCY TRANSACTIONS INVOLVE THE LEVERAGED TRADING OF CONTRACTS DENOMINATED IN FOREIGN CURRENCY CONDUCTED WITH A FUTURES COMMISSION MERCHANT OR A RETAIL FOREIGN EXCHANGE DEALER AS YOUR COUNTERPARTY. BECAUSE OF THE LEVERAGE AND THE OTHER RISKS DISCLOSED HERE, YOU CAN RAPIDLY LOSE ALL OF THE FUNDS YOU DEPOSIT FOR SUCH TRADING AND YOU MAY LOSE MORE THAN YOU DEPOSIT.

YOU SHOULD BE AWARE OF AND CAREFULLY CONSIDER THE FOLLOWING POINTS BEFORE DETERMINING WHETHER SUCH TRADING IS APPROPRIATE FOR YOU.

(1) TRADING IS NOT ON A REGULATED MARKET OR EXCHANGE—YOUR DEALER IS YOUR TRADING PARTNER WHICH IS A DIRECT CONFLICT OF INTEREST. BEFORE YOU ENGAGE IN ANY RETAIL FOREIGN EXCHANGE TRADING, YOU SHOULD CONFIRM THE REGISTRATION STATUS OF YOUR COUNTERPARTY.

The off-exchange foreign currency trading you are entering into is not conducted on an interbank market, nor is it conducted on a futures exchange subject to regulation as a designated contract market by the Commodity Futures Trading Commission. The foreign currency trades you transact are trades with the futures commission merchant or retail foreign exchange dealer as your counterparty. WHEN YOU SELL, THE DEALER IS THE BUYER. WHEN YOU BUY, THE DEALER IS THE SELLER. As a result, when you lose money trading, your dealer is making money on such trades, in addition to any fees, commissions, or spreads the dealer may charge.

(2) AN ELECTRONIC TRADING PLATFORM FOR RETAIL FOREIGN CURRENCY TRANSACTIONS IS NOT AN EXCHANGE. IT IS AN ELECTRONIC CONNECTION FOR ACCESSING YOUR DEALER. THE TERMS OF AVAILABILITY OF SUCH A PLATFORM ARE GOVERNED ONLY BY YOUR CONTRACT WITH YOUR DEALER.

Any trading platform that you may use to enter off-exchange foreign currency transactions is only connected to your futures commission merchant or retail foreign exchange dealer. You are accessing that trading platform only to transact with your dealer. You are not trading with any other entities or customers of the dealer by accessing such platform. The availability and operation of any such platform, including the consequences of the unavailability of the trading platform for any reason, is governed only by the terms of your account agreement with the dealer.

(3) YOUR DEPOSITS WITH THE DEALER HAVE NO REGULATORY PROTECTIONS.

All of your rights associated with your retail forex trading, including the manner and denomination of any payments made to you, are governed by the contract terms established in your account agreement with the futures commission merchant or retail foreign exchange dealer. Funds deposited by you with a futures commission merchant or retail foreign exchange dealer for trading off-exchange foreign currency transactions are not subject to the customer funds protections provided to customers trading on a contract market that is designated by the Commodity Futures Trading Commission. Your dealer may commingle your funds with its own operating funds or use them for other purposes. In the event your dealer becomes bankrupt, any funds the dealer is holding for you in addition to any amounts owed to you resulting from trading, whether or not any assets are maintained in separate deposit accounts by the dealer, may be treated as an unsecured creditor's claim.

(4) YOU ARE LIMITED TO YOUR DEALER TO OFFSET OR LIQUIDATE ANY TRADING POSITIONS SINCE THE TRANSACTIONS ARE NOT MADE ON AN EXCHANGE OR MARKET, AND YOUR DEALER MAY SET ITS OWN PRICES.

Your ability to close your transactions or offset positions is limited to what your dealer will offer to you, as there is no other market for these transactions. Your dealer may offer any prices it wishes, and it may offer prices derived from outside sources or not in its discretion. Your dealer may establish its prices by offering spreads from third party prices, but it is under no obligation to do so or to continue to do so.

Your dealer may offer different prices to different customers at any point in time on its own terms. The terms of your account agreement alone govern the obligations your dealer has to you to offer prices and offer offset or liquidating transactions in your account and make any payments to you. The prices offered by your dealer may or may not reflect prices available elsewhere at any exchange, interbank, or other market for foreign currency.

(5) PAID SOLICITORS MAY HAVE UNDISCLOSED CONFLICTS.

The futures commission merchant or retail foreign exchange dealer may compensate introducing brokers for introducing your account in ways which are not disclosed to you. Such paid solicitors are not required to have, and may not have, any special expertise in trading, and may have conflicts of interest based on the method by which they are compensated. Solicitors working on behalf of futures commission merchants and retail foreign exchange dealers are required to register. You should confirm that they are, in fact registered. You should thoroughly investigate the manner in which all such solicitors are compensated and be very cautious in granting any person or entity authority to trade on your behalf. You should always consider obtaining dated written confirmation of any information you are relying on from your dealer or a solicitor in making any trading or account decisions.

FINALLY, YOU SHOULD THOROUGHLY INVESTIGATE ANY STATEMENTS BY ANY DEALERS OR SALES REPRESENTATIVES WHICH MINIMIZE THE IMPORTANCE OF, OR CONTRADICT, ANY OF THE TERMS OF THIS RISK DISCLOSURE. SUCH STATEMENTS MAY INDICATE POTENTIAL SALES FRAUD.

THIS BRIEF STATEMENT CANNOT, OF COURSE, DISCLOSE ALL THE RISKS AND OTHER ASPECTS OF TRADING OFF-EXCHANGE FOREIGN CURRENCY TRANSACTIONS WITH A FUTURES COMMISSION MERCHANT OR RETAIL FOREIGN EXCHANGE DEALER.

I hereby acknowledge that I have received and understood this risk disclosure statement.

Secondary Risk Disclosure: High Risk Investment

Trading is very speculative and risky. Foreign Exchange Trading is highly speculative and is suitable only for those customers who (a) understand and are willing to assume the economic, legal and other risks involved, and (b) are financially able to assume losses significantly in excess of margin or deposits. Customer represents, warrants and agrees that Customer understands these risks; that Customer is willing and able, financially and otherwise, to assume the risks of Foreign Exchange Trading and Spot Metal Trading and that loss of Customer's entire Account Balance will not change Customer's life style.

The high leverage and low margin associated with Foreign Exchange Trading and Spot Metal Trading can result in significant losses due to price changes in Foreign Exchange Contracts, Cross Currency Contracts and Metal Contracts. Company's margin policies may require that additional funds be provided to properly margin Customer's Account and that Customer must immediately meet such margin requirements. Failure to maintain the Minimum Margin Requirement may result in the liquidation of any open positions with resultant loss to Customer.

FOREX IS AN OVER THE COUNTER (OTC) MARKET, MEANING THE FOREIGN CURRENCY TRADING YOU ARE ENTERING INTO IS NOT CONDUCTED ON AN EXCHANGE. AS A MARKET MAKER, FOREX.COM IS THE COUNTERPARTY IN THESE TRANSACTIONS AND, THEREFORE, ACTS AS THE BUYER WHEN YOU SELL AND THE SELLER WHEN YOU BUY. AS A RESULT, FOREX.COM'S INTERESTS MAY BE IN CONFLICT WITH YOURS. UNLESS OTHERWISE SPECIFIED IN YOUR WRITTEN AGREEMENT OR OTHER WRITTEN DOCUMENTS FOREX.COM ESTABLISHES THE PRICES AND WHICH IT OFFERS TO TRADE WITH YOU. THE PRICES OFFERED MIGHT NOT BE THE BEST PRICES AVAILABLE AND DIFFERENT PRICES MAY BE OFFERED TO DIFFERENT CUSTOMERS.

IF FOREX.COM ELECTS NOT TO COVER ITS OWN TRADING EXPOSURE, THEN YOU SHOULD BE AWARE THAT FOREX.COM MAY MAKE MORE MONEY IF THE MARKET GOES AGAINST YOU. ADDITIONALLY, SINCE FOREX.COM ACTS AS THE BUYER OR SELLER IN THE TRANSACTION, YOU SHOULD CAREFULLY EVALUATE ANY TRADE RECOMMENDATIONS YOU RECEIVE FROM FOREX.COM OR ANY OF ITS SOLICITORS.

GAIN Capital Group LLC Direct Market Access Service Supplemental Terms

These Supplemental Terms set out the terms and conditions under which GAIN Capital Group LLC ("GAIN Capital") offers you the Direct Market Access services described below (the "DMA Services"). These Supplemental Terms form part of the Unity Investments Customer Agreement, including the related Trading Policies and Procedures, in each case as amended from time to time (collectively, the "Customer Agreement").

Unless separately defined in these Supplemental Terms, words and expressions shall have the same meanings given to them in the Customer Agreement.

1. TERMS OF SERVICES PROVIDED; TRADING POLICIES AND PROCEDURES.

- a. Subject to the conditions of the Customer Agreement and acceptance of your application to open an Account, Unity Investments will maintain one or more Accounts in your name, and will affect cash settled and physically settled transactions with and for you in the international over-the-counter currency markets on a spot basis and provide such other services and products as GAIN Capital may, in its sole discretion, determine from time to time in the future. - b. Upon receipt of an Order from you as customer, Unity Investments will attempt to place a financially equivalent Order with its DMA Services liquidity provider(s) in GAIN Capital's name. Upon receipt of confirmation of fill price(s) from GAIN Capital's DMA Services liquidity provider(s), GAIN Capital will fill your Order request, in part or in full, at the exact same price acting as counterparty to your trade. GAIN Capital's ability to fill your Order will be contingent on GAIN Capital's ability to execute the Order with its DMA Services liquidity provider(s) and pass these Order executions on to you acting as counterparty to your trade. You acknowledge and agree that a lack of available liquidity from GAIN Capital's DMA Services liquidity providers may result in your Order not being filled at any price. **You further acknowledge and agree that GAIN Capital will display currently available pricing for the contracts offered under the DMA Services, but actual execution prices achieved in the market by GAIN Capital with its DMA Services liquidity provider and passed on to you by GAIN Capital acting as counterparty to your trade may differ materially from pricing displayed, and you agree to accept the prices assigned to all filled Orders pursuant to the DMA Services.**
- c. Unless otherwise specifically indicated in the trading platform through which you are accessing the DMA Services, all Orders placed on any trading day will expire at the end of each trading day.
- d. Neither Request for Quote functionality nor a Demo Trading System will be offered as part of the DMA Services.

2. REPRESENTATIONS AND WARRANTIES. You hereby represent and warrant to Unity Investments & Gain Capital that:

- a. your execution and delivery of these Supplemental Terms and your performance of all obligations contemplated hereunder have been duly authorized;
 - b. your execution and delivery of these Supplemental Terms and your use of the DMA Services offered hereunder shall not violate any law, rule, regulation, ordinance, charter, by-law or policy applicable to you; and
 - c. you acknowledge and agree that the transactions you execute through the platform will be subject to a commission and any bid/offer spread included in the foreign currency pricing offered to you via the platform through which you access the DMA Services.
3. **RISK OF TRANSACTIONS.** You acknowledge that you have been informed, and that you understand that (i) none of the DMA Services provided by GAIN Capital shall give rise to any fiduciary or equitable duties on our the part of GAIN Capital or any of its officers, directors, employees or affiliates; (ii) GAIN Capital may receive fees or other payments from one or more third parties in respect of any particular transaction executed in connection with the provision of the DMA Services hereunder; and (iii) the submitting or posting of any information to or on the platform by which the DMA Services are accessed by any person shall not be deemed to be a recommendation by any such person that you should enter into any particular transaction or that such transaction is suitable or appropriate for you.
4. **TERMINATION.** GAIN Capital may terminate these Supplemental Terms and your access to the DMA Services at any time for any reason or no reason, with or without notice, in its sole discretion.
